

ADVANTIV CAN SAVE YOU TIME AND REDUCE YOUR COSTS

Working with Advantiv on consolidating your supply chain and procurement activities will result in costs savings, reduced administration, improved cash flow and quality control. Our added value processes will improve the efficiency within your supply chain allowing you to spend the time saved working with your key preferred suppliers and other procurement initiatives you want to pursue.

Company Supply Chain WITHOUT ADVANTIV

- Low value / low importance orders
- Cash flow impact
- Transactional burden
- Supplier relationships to manage
- Loss of Compliance & Quality Control
- No contractual benefits

Company Supply Chain WITH ADVANTIV

- ✓ Reduced administration
- ✓ Cost savings
- ✓ Access to 5000+ suppliers
- ✓ Focus on strategic relationships
- ✓ Compliance & Quality Control
- ✓ Contractual benefits

WHY CHOOSE **ADVANTIV**?

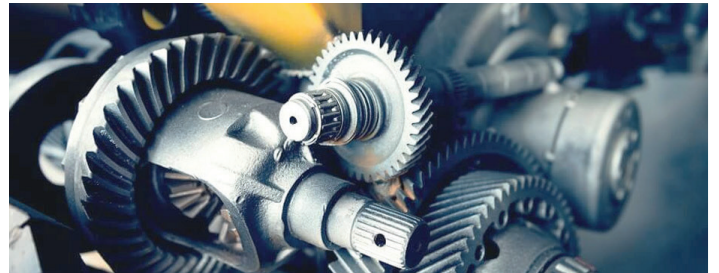

Advantiv has a wide-ranging product and service portfolio and provides its customers with comprehensive, value-added solutions and a professional, personal service. Our solutions are designed to deliver cost, engineering and energy saving benefits to our clients. Our company philosophy is centred on customer service; combined with our experience, this enables us to provide a streamlined and reliable route for sourcing not only engineering and energy-saving solutions, but also a wide range of general procurement requirements.

- ✓ Committed to customer service
- ✓ Reputable industry knowledge and experience
- ✓ All your purchasing requirements in one place
- ✓ Cost savings

SOLUTIONS

Advantiv Procurement Solutions are specialists in reducing clients' overall expenditure and improving the supply chain management processes.

PRODUCTS

If you need to replace a machine part, assemble a project kit, or restock supplies, Advantiv offers a wide range of industrial parts and consumables.
